

Therapist Onboarding Checklist

Congratulations on your employment at Laser Clinics! At Laser Clinics we believe that our people make our success.

Use this onboarding checklist as a guide to ensure you have everything you need to help fulfill our purpose - *to make more people feel confident in their own skin.*

Welcome to Laser Clinics

Congratulations on your employment at Laser Clinics! At Laser Clinics we believe that our people make our success.

About Us

Laser Clinics Group is the largest employer of Medical Aestheticians and Cosmetic Nurse Practitioners globally. We employ over 2500 people, performing over 4.2 million treatments a year.
We are proud to be in the business of transforming skin and help more people feel confident in their own skin. At Laser Clinics, we pride ourselves on offering continuous training and professional development to all our team members, and in doing so providing long-term unique career pathways like no one else in the beauty industry.

Your Training

Our goal is to attract, develop, and retain the most highly trained professionals in the industry. As part of your Medical Aestheticians on-boarding process, we will not only provide you with all the knowledge that you need to perform our treatments, but also help you lay the foundation for further up skilling in all aspects of your role.

You will have access to:

- Continued guidance and training from our dedicated in-field Learning & Capability Team
- Support from our in-house Group Learning and Capability team
- Access to our learning management portal (Spark) with over 150 courses
- Treatment protocols backed by our inhouse medical and safety team in addition to the Medical Advisory Board (MAC) to ensure safety and compliance in all that we do

Onboarding Checklist

This onboarding checklist will be your guide to ensure you have everything you need to set yourself up for success in your new role. Please ensure you have a copy of this checklist printed during your first week in clinic, and utilise it to discuss with your manager the best way to progress through all the important parts of your on-boarding program.

Online Systems

We use a number of online systems at LCC.
These include:

- Microsoft Outlook – for emails and calendar
- Spark – Our Learning Management System
- Zapp – Our Intranet that holds Policies and Procedures
- Zenoti - Our Point Of Sale and bookings platform used in clinic
- IWS - Our payroll system
- Payworks - Our paystub and T4 system

Below is an overview of each system and how these will assist you in your role

Outlook Email & Calendar

Your Franchise Partner/Clinic Manager will provide you with your Laser Clinics email login details. This is how you will access everything in clinic. Ensure you check your email often and utilise your outlook calendar for any new training updates, Spark reminders, newsletters or business announcements.

Zapp

Zapp is our central platform for all policies, procedures and forms. Many of our SPARK training modules link to policies in Zapp so you must ensure you have access. You will use your LC email to login. While in clinic you will also access Zapp for a number of things including the latest newsletters. You can access the “Skin Handbook” and “Laser Handbook” on the homepage of Zapp which houses all protocols and treatment procedures.

Spark

SPARK is our online Learning Management System (LMS). All Online training is housed here, as well as new training that is introduced to the business. Please note you will receive email notifications to alert you to new training enrolments so please ensure you check for these periodically.

Zenoti

LCC uses an in-clinic system called Zenoti as a point of sale, take bookings report Adverse Events related to treatments and products.

IWS

IWS is our rostering and payroll system. You will use this system to view your upcoming schedules, leave requests and timesheets. Communication will always go to your personal email address.

Online Details

Please use this handy page to record all of your system logins.

SKIN INJECT HAIR

Therapist Orientation Day One (4-6 hours)

Welcome to Laser Clinics and Introductions (15 Minutes)

- Meet clinic leadership & team
- Introduction and nurse credentialling
- Provide brief clinic tour of rooms & common areas
- Overview of clinic's mission, vision and values
- Overview of moments that matter
- Overview of bonus structure
- Overview of employee discounts (products, treatments, injectables)

Onboarding Booklet Review (30 Minutes)

- Walkthrough of onboarding booklet sections
- Clarify expectations for completion (signature pages, checklists, training sign offs)
- Note important milestones (30, 60, 90 days) 6-month review and 12 month review
- Discuss how the booklet will be reviewed in follow-up meetings and daily completion is required
- Go over Make Magic Happen boards

Uniform Distribution & Appearance Standards (15 Minutes)

- Provide clinic scrubs & expectations
- Show where protective goggle bin is located and the expectations of goggle care and use
- Name tag provided with expectations
- Review dress code and grooming standards (hair pulled back, white shoes, name tag & white undershirt)
- Locker or personal storage assignment

Clinic Tour & Team (15-20 Minutes)

- Follow Page 11 of onboarding booklet

Systems Logins and Portal Walkthrough (60-90 Minutes)

Ensure login credentials are provided before this section begins and candidate has a safe storage place for all credentials.

- ☐ Email
  - Outlook authentication app download
  - Outlook app download & setup
  - Set up email signature
  - Setup, internal communication standards
- ☐ Zapp
  - Internal communications, clinic-wide announcements
  - Policies & protocols
  - HR resources & sign offs
  - Completion of all sign offs
- ☐ Spark
  - Access to training modules & internal resources
  - How to view learning plans & enrolled courses
  - Link between Spark & booklet
- ☐ Zenoti
  - Provide brief overview of system
  - Description of colors (purple, green, yellow, orange, blue)
  - Set up of reports: cash sales & product sales
- ☐ IWS
  - Provide brief overview of system
  - Explain how to submit leave request & sick leave
  - Review sick leave and leave request policies & expectations based on role

Training Integration (1-2 Hours)

- ☐ Complete assigned modules in Spark/Zapp (30 min-1 hour)
- ☐ Front desk shadowing (30 min-1 hour)
- ☐ Observe client intake and check out processes
- ☐ Observe scheduling, confirmations, payment processes
- ☐ Observe turnover of rooms and rotation of clients

Wrap-up and Day 2 Preview (15 Minutes)

- ☐ Confirm training schedule for the rest of the week
- ☐ Assign point of contact or training lead (clinic leadership, learning & capability trainer)
- ☐ Discuss expected completion of onboarding booklet and training modules
- ☐ Review communication process for questions and scheduling issues
- ☐ Provide brief overview of Day 2: shadowing treatments, charting practice, hands on product use
- ☐ Provide lock box code/key and any codes/passwords unique to clinic

Track your face-to-face Training

Use this area to fill in your core face-to-face training. For example The LCX Service Model, CARE, LHR and more.

Training	Date	Location

Therapist Training Pathway

The training you will receive throughout your career at Laser Clinics will be delivered through a variety of different methods.
They include:

- eLearning – courses on Spark
- Webinars
- Workshop Training
- Clinic Visits with an L&C Manager
- On-the-job experience
- External training via supplier

There are Learning Plans to complete for each treatment or service and to be marked off as completed. You must complete all components as follows:

1. An eLearning on the topic
2. Practical Training (Workshop or In-Clinic)

After completing the eLearning and the practical component of each Learning Plan, your L&C Manager will mark you off as competent in each area (ILT or in-clinic training).

Once each Learning Plan is completed, you may download a certificate if desired.

The following on-boarding pathway outlines the ideal structure and order in which you should complete all components of your training.

Month 1 - 2
